

**The Allegany County Planning Board in conjunction with the
New York Municipal Insurance Reciprocal
presents an exclusive service to NYMIR Subscribers**

A FREE Seminar on:

**Unlocking the Mysteries of the SEQR Assessment Form-
Practical Answers to Common Questions**

To many, the SEQR Environmental Assessment Form is mysterious document that is often confusing and overlooked, raising as many questions as it answers. Who is supposed to complete it? Why are there multiple “parts?” When must they be completed? How am I supposed to understand all of these terms I’ve never seen before? Fortunately, the DEC has made available a very useful resource which helps to answer many of these questions – the SEQR Environmental Assessment Form Workbook. This course offers a “hands on” experience which aims to demystify the SEQR EAF. Together we will explore and utilize the SEQR Workbook to understand and complete the SEQR Environmental Assessment Form for a hypothetical project.

Presenter:

Donald A Young – Partner – Boylan Code

Date and Location:

June 20, 2018

6:00-6:30 – Food and Registration
