The **Corporate Sponsor/Supporter Program** was created to allow our partners utilization of marketing through Southern Tier West to a targeted market both in terms of product and personal contact. The approach allows Southern Tier West not only to help our local governments by putting them in contact with vendors for their vital day-to-day operations, but also allows us to market our local businesses in such a manner as to encourage regional cooperation at the municipal and business levels.

 CORPORATE SPONSOR - \$1,000.00

At this level of participation you will receive reservations to participate in Southern Tier West’s Annual Local Government Conference held in May. You will receive (3) free registrations and reserved exhibit space. You will also receive advertisement in Southern Tier West’s publications, a link to your website off the STW website, and recognition in Southern Tier West’s Annual Report.

 CORPORATE SUPPORTER - \$275.00

At this level of participation you will receive a reduced exhibitor price of \$250 at Southern Tier West’s Annual Local Government Conference; your company logo included in Conference publications; full-color business card included in the packets at Conference; and a link to your website off the STW website.
