Executive Director's Report

1. Federal Update

The compromise omnibus appropriations bill for FY17 provides \$152 million for ARC. This is made up of \$70 million for ARC's base program; \$50 million for POWER; \$10 million to continue the program of broadband deployment in distressed counties in Central Appalachia that have been most negatively impacted by the downturn in the coal industry; \$16 million for a program of

industrial site and workforce development in Southern and South Central Appalachia focused primarily on the automotive supply sector and the aviation sector, with up to \$13.5 million of that account for activities in Southern Appalachia; and \$6 million for a program of basic infrastructure improvements in distressed counties in Central Appalachia. The overall funding level is \$6 million more than FY16.

2. EDA Site Visit

Ed Hummel, Economic Development Representative for NY and northern New Jersey, is planning to be in the region on Monday, July 10th and Tuesday, July 11th. He would like to review some past projects and look at potential new projects. He would also like to meet some of the STW Board members and staff on Tuesday afternoon as part of a region evaluation.

3. Town of South Dayton Project

The Town of South Dayton is renovating an old Nestle/Carnation Plant that contains asbestos. The Town has asked Southern Tier West for any assistance with funding to perform a pre-removal asbestos survey of the facility. The STW Development Foundation may be able to assist with \$2,730. The Board tabled the motion until a later Board meeting.

4. NYSERDA

Southern Tier West has been asked to administer the NYSERDA program in the Southern Tier Central Region. A motion was needed to hire an additional employee for this purpose. Jerry Scott so moved, Norm Marsh seconded the motion and it carried.

Southern Tier West Program Report

Executive Director Richard Zink reported on the following STW programs: Local Government, Broadband, Entrepreneurial Development, NYSERDA – Clean Energy Communities, and SARA Records Management, STEDO, and STERA.
