## Executive Director's Report

### 1. ARC Federal Funding

The House Appropriations Committee approved the FY15 Energy and Water Development Appropriations bill, which contains ARC's non-highway funding for the coming fiscal year. The measure provides \$80.317 million, which is level funding with this year. The committee report accompanying the bill notes that that total includes \$10 million "to continue the program of high-speed broadband deployment in distressed counties within the Central Appalachian region that have been most negatively impacted by the downturn in the coal industry. This funding shall be in addition to the 30 percent directed to distressed counties". The committee report also states that "ARC targets 50 percent of its funds to distressed counties or distressed areas in the Appalachian region. The Committee continues to believe this should be the primary focus of the ARC." The bill is expected to come to the House floor in the next few weeks.

The Senate appropriations subcommittee approved its version of the legislation on Tuesday.

### Budget

The proposed 2014-2015 budget was included in the packets. Kier Dirlam made a motion to approve the budget, Ted Hopkins seconded the motion and it carried.

### Staff Update

Jonathon Mayr has been hired to replace Courtney Waters. He will focus on Stormwater and Transportation as he comes up to speed on GIS.

### Recently Submitted Grant Applications

Two CFA projects: A loan fund for STEDO and a fiber project in Cattaraugus County. One USDA application for LFPP (Local Food Promotion Program). One ARC project that focuses on local food.

### CEDS Update

- Tom reached out to the County Planning Boards and the IDAs for comments and to update the project lists by the end of July.
- To date STW has received Chautauqua County's input.
- Board members to look at the EDA priorities and at the July meeting identify the top 2 projects from each county.
- September 1, the full document will be completed and presented to the board for review.
