90 minutes that could make a difference in your business!

It's **FREE** courtesy of the Chamber and our Partners.

About this event:

The Greater Allegany County Chamber of Commerce is proud to host the US Small Business Administration and other local resources to help grow your business in Allegany County. As the SBA celebrates Small Business throughout the month of May, the time is right to get back together, in-person and talk about the tools and resources available to you for little or no cost. You will hear from multiple local business experts and there will be plenty of time for networking and questions to be answered. Please join us for this informative program!

COFFEE AND DONUTS WILL BE PROVIDED!
PLEASE USE THE REGISTRATION LINK PROVIDED
